 Fax: +351 22 5570799

Sample Submission Form

Principal Investigator			
Project Reference			
Purchase Order Number			
Department/Unit			
Organisation		Fiscal Number	
Billing Address			
City		Postal Code	
E-mail		Phone	Fax

People authorized to request services with charge to the principal investigator project

Sample Details

Sample Identification	
Approximate molecular weight/isoelectric point	
Samples in Solution: Sample Composition (Buffer, salts, detergents)	
Gel samples: Type of Staining used. Please, send gel image.	
Additional comments	

Service Details

Nature of Service Required (Molecular weight determination; Protein Identification; Gel electrophoresis)
